The Customer's network and user count will be reviewed by RPM every six months from the Commencement Date.

10.12 Where charges are calculated according to the Customer's usage, such usage shall be determined by reference to data recorded or logged by RPM and not be reference to any data recorded or logged by the customer.

10.13 The provisions of this clause apply to any proposed increase in the Charges other than those referred to in clause 10.15 below (which reflect an increase caused by regulatory changes in respect of which the provisions of clause 10.15 apply). RPM will give the Customer written notice of any such increase not less than 30 days before the proposed date of the increase. 14.1 The Customer agrees to hire from RPM the Equipment on the terms set out in this clause 14. The Hire Agreement shall come into effect on the date it is signed by RPM and will, subject to clause 14.33, continue for the Minimum Hire Period and will continue thereafter until it is terminated in accordance with clause 14.2.

14.2 The Customer may terminate the Hire Agreement at the end of the Minimum Hire Period by giving one (1) month's written notice to expire at the end of the Minimum Hire Period, or at any time thereafter by giving RPM three (3) months' written notice. On termination of the Hire Agreement, the Customer shall return the Equipment to RPM in accordance with clause 14.37 below.

DELIVERY OF EQUIPMENT AND INSPECTION

14.3 Unless otherwise agreed, RPM shall deliver the Equipment to the installation address as specified in the Hire Agreement. The Customer is responsible for taking delivery of the Equipment and checking that all the details specified in the Hire Agreement are correct. The Customer shall inspect the Equipment on delivery and shall notify RPM in writing of any defect within five (5) Business Days of delivery, failing which, the Customer will be deemed to have accepted the Equipment as satisfactory and fit in all respects whether or not the Customer has signed for the Equipment. Any dates stipulated for delivery of the Equipment are estimates and time shall not be of the essence.

RENTAL PAYMENTS

14.4 The Customer will pay the first Rental Payment, the subsequent Rental Payments, the Administration Fee and the Annual Service Fee at the times specified in the Hire Agreement.

14.5 Punctual payments in full is a condition of and is essential to the Hire Agreement. It is an essential condition of the Hire Agreement that all Rental Payments be paid by direct debit. If the Customer stops paying by direct debit and pays by some other method, RPM shall be entitled to increase each Rental Payment by 3% to cover its additional administration costs.

14.6 All payments to be made by the Customer under or in connection with the Hire Agreement shall be made without demand and shall be paid without deduction, setoff, counterclaim or withholding whatsoever.

14.7 It is a condition of the Hire Agreement that all Rental Payments be paid, including during any period in which the Equipment is not working, is not in the Customer's possession, is unserviceable or is unusable, and regardless of any problems or disputes relating to any Services or consumables or failure by RPM to supply them.

14.8 The Customer shall pay interest on all sums payable under or in connection with the Hire Agreement which are overdue at a maximum rate of 5% above HSBC Bank plc's base rate from time to time or £40 plus VAT, whichever is higher, with such interest being payable monthly and accruing from the due date until actual payment of the overdue amount, whether before or after judgment.

14.9 The Customer shall pay VAT on all amounts due under or in connection with the Hire Agreement at the rate which applies on the date such payment is due.

14.10 RPM is entitled to charge the Customer for the costs and expenses RPM may incur in enforcing the Hire Agreement following a breach by the Customer and such charges must be paid by the Customer on demand.

USE OF EQUIPMENT

14.11 The Customer shall keep the Equipment maintained in good repair and safely at the location specified in the Hire Agreement and may not move it elsewhere without obtaining RPM's prior written consent. The Customer shall notify RPM immediately if the Customer changes its address.

14.12 The Customer will ensure that the Equipment is used in accordance with the manufacturer's operating instructions and in accordance with all applicable laws, statutes and regulations in a safe and proper manner.

14.13 The Customer is responsible for any loss or damage to the Equipment (except fair wear and tear) even if caused by acts or events outside the Customer's control, from delivery of the Equipment until it is recovered by RPM. The Customer shall give RPM prompt written notice of any loss or damage to the Equipment.

14.14 The Customer shall indemnify and keep indemnified RPM, its agents and its contractors against all claims, damage, loss, costs and expenses (including legal expenses on a full indemnity basis) arising directly or indirectly from the Customer's possession or use of the Equipment except for injury or death caused by the negligence of RPM, its agents or its contractors. This indemnity will survive and remain in full force and effect should the Hire Agreement be terminated.

14.15 The Customer shall permit RPM or its authorised representatives at all reasonable times to access or enter the premises in order to inspect and test the Equipment.

14.16 The Customer shall not alter or make additions or replacements to the Equipment without prior written consent from RPM. The Customer will not allow the

Equipment to become annexed or connected to any other equipment or to become affixed to any land, building or heritage so as to become a fixture or fitting.

14.17 The Customer shall at all times during the Hire Period, maintain, pay or otherwise be responsible for any and all licence fees, fines, duties, permits, insurance premiums or other payment that is required for the Equipment and which are not included in the Hire Agreement.

14.18 The Customer will not sub-hire, sell, lend, assign, mortgage, charge, pledge or otherwise deal with the Equipment.

INSURANCE

14.19 The Customer shall keep the Equipment continuously insured with a reputable insurer under a full comprehensive policy of insurance, covering the Equipment against all insurable risks (including third party and public liability claims) to an amount the greater of the full replacement value of the Equipment and the amount that would be payable under clause 14.24 (b) to settle the Hire Agreement. The Customer must arrange for RPM to be noted on the insurance policy and be named as loss payee. Upon request, the Customer must produce acceptable evidence of the insurance policy. The Customer must comply in all respects with the terms and conditions of the relevant insurance policy or policies.

14.20 If satisfactory evidence of insurance is not provided to RPM, RPM has the right (but not the obligation) to either:

- (a) arrange insurance of the Equipment for the Customer; or
- (b) insure the Equipment for a suitable period at the Customer's expense.

For the avoidance of doubt, the Customer acknowledges and agrees that if RPM insures the Equipment, the Customer shall have no rights under such insurance policy and RPM may increase the Rental Payments accordingly.

14.21 In the event that RPM insures the Equipment, RPM may charge the Customer a fee to cover the costs of RPM doing so (Fee), which shall be subject to VAT. Such Fee shall be collected from the Customer by instalments at the same time as the Rental Payments become due. The payment of the Fee shall be subject to RPM giving prior written notice of the amount of the Fee, the VAT thereon and the frequency of payments that shall be required to be made by the Customer. The Customer must promptly provide to RPM all information that RPM may reasonably require in connection with such insurance including for the avoidance of doubt all information required to effect such policy and to enable RPM to make a claim under it. In the event that RPM makes a claim, you the customer must make every reasonable effort to protect the Equipment from further loss.

14.22 Notwithstanding the foregoing, the Customer may arrange its own insurance at any time.

14.23 If the Customer makes an insurance claim it shall notify RPM immediately and shall not settle any claims without RPM's prior written consent. The Customer shall hold on trust for RPM any money paid to the Customer under any insurance policy relating to the Equipment and hereby irrevocably authorises RPM to receive such money from any insurance company and to agree the amount of any claim with the insurance company or any other person and receive payment from them.

14.24 If the Equipment is damaged, stolen or cannot be economically rectified and there is a total loss claim, the Customer shall notify RPM immediately and shall either:

- (a) with RPM's prior written permission, replace the Equipment at the Customer's own expense and continue with the Hire Agreement and RPM will give the Customer any relevant insurance monies it receives; or
- (b) settle the Hire Agreement by paying RPM an amount equal to the sum calculated under clause 14.35 plus an amount which RPM anticipated the Equipment would be worth on expiry of the Minimum Hire Period (the Residual Value). RPM will deduct the amount received from insurers in respect of any relevant insurance settlement, from the amount the Customer owes to RPM.

WARRANTIES AND LIABILITY

14.25 The Customer acknowledges and agrees that the essential function of RPM is to provide Equipment selected by the Customer from a manufacturer chosen by the Customer. The Customer further acknowledges and agrees that, where RPM is not the supplier, the supplier and any of its sales force are not agents of RPM and are in no way authorised to give warranties or make promises or representations binding on RPM.

14.26 The Customer acknowledges and accepts that there is a risk that the Equipment may not be of satisfactory quality. Where RPM has financed the Equipment, the risk of the Equipment not being of satisfactory quality may be borne by RPM, by the Customer, by an intermediary or by an insurer. The parties confirm that the allocation of risk is a matter of agreement and that they have agreed that it shall be borne by the Customer, save to the extent that RPM has been able to obtain a right of recourse against the supplier and have been able to pass that right to the Customer via an assignment or under the Contracts (Rights of Third Parties) Act 1999. 14.27 It is the Customer's responsibility to obtain the benefit of all warranties given by the manufacturer of the Equipment (which may be subject to the limitations and exclusions contained in the manufacturer's standard terms), insofar as such benefit is capable of being transferred to the Customer. If the Customer fails to obtain from the manufacturer of the Equipment express warranties about the Equipment, RPM will endeavour, at the Customer's request and cost, to transfer to the Customer the

benefits of any manufacturer's express warranties given to RPM in respect of the Equipment.

14.28 Both parties agree that, subject as expressly provided in the Hire Agreement, all warranties, conditions and other terms implied by statute or common law are excluded to the fullest extent permitted by law.

14.29 If the law requires a term to be implied into the Hire Agreement, both parties acknowledge and agree that RPM shall not be liable for any breach of such implied term, because:

- (a) if the risk of breach of any such terms had been allocated to RPM, a higher Rental Payment would have been charged;
- (b) RPM is not in a position to evaluate and therefore insure against the risk of such a breach, whereas the Customer is in a better position to do so; and
- (c) because the Customer has selected and chosen the Equipment and the manufacturer.

14.30 RPM shall not be liable to the Customer:

- (a) in contract, tort or otherwise for loss, injury or damage arising by reason of any defects in the Equipment, whether such defects are latent or apparent on examination (other than liability for death or personal injury arising from RPM's negligence);
- (b) for any statement, term, condition, warranty or representation made by any dealer, agent, broker or other person through whom this transaction may have been introduced, negotiated or conducted and persons other than those employed by RPM have no authority, express or implied, to act as RPM's agent;
- (c) either for any loss whatever suffered by the Customer as a result of the Equipment or any part of the Equipment being unusable or to supply any replacement equipment during any period when the Equipment or part of it is unusable;
- (d) for any loss or damage incurred or sustained by the Customer in consequence of RPM terminating the hiring under clause 14.33 or in re-taking possession of the Equipment.

14.31 The provisions of clauses 16.1 and 16.2 shall apply in respect of RPM's liability to the Customer under or in connection with the Hire Agreement, with any references to "Contract" within said clauses being replaced with "Hire Agreement".

14.32 Subject to clause 14.31, RPM's total aggregate liability to the Customer under the Hire Agreement shall not exceed a sum equivalent to the total Rental Payments paid by the Customer at the time such liability arises.

TERMINATION OF HIRE AGREEMENT

14.33 RPM may terminate the Hire Agreement and the hiring of the Equipment thereunder immediately on giving written notice to the Customer and RPM may repossess the Equipment if:

- (a) the Customer fails to pay any amount due under the Hire Agreement or any other agreement with RPM or any other company in our group of companies within seven (7) days of it becoming due;
- (b) the Customer fails to perform any other obligations under the Hire Agreement or any other agreement with RPM or any other company in THE RPM group of companies and if remediable, fails to remedy it within seven (7) days of RPM giving written notice specifying the breach;
- (c) the Customer ceases or threatens to cease trading, enters into a voluntary arrangement, has a bankruptcy petition presented against it or makes any arrangement with its creditors;
- (d) the Customer ceases or threatens to cease trading, has an administrator or receiver appointed or enters into any form of liquidation;
- (e) the Customer allows a judgment to remain unsatisfied for seven (7) days or allows its assets to be seized under a court judgment;
- (f) the Customer undergoes a change in control (whether direct or indirect) or the Customer's present holding company ceases to be the legal and beneficial owner (free from encumbrances) of the whole or any part of your issued share capital from time to time or the Customer's assets are transferred to another party;
- (g) the Customer, being an individual, has a petition for a bankruptcy order or sequestration made against him, dies, is subject to an order for the administration of his estate, grants a trust deed for the benefit of his creditors or enters into any composition contract with his creditors; or
- (h) the Customer, being a partnership, is dissolved or has a judicial factor appointed to it or becomes subject to any of the events set out above in clause 14.33 (g); (i) any event occurs which has or is likely to have in RPM's sole opinion a material adverse effect on the Customer's business, properties or condition, financial or otherwise, or on the Customer's ability to duly perform and observe any of its obligations under the Hire Agreement;
- (j) the Customer makes any statement, representation or warranty under or in relation to the Hire Agreement or any other agreement with RPM which is or becomes materially incorrect; or
- (k) the Customer or any of the Customer's partners or anyone who guaranteed the Customer's obligations under the Hire Agreement or any other company in the Customer's group of companies commits or suffers any of the events specified in 14.33(a) to (j) above.

CONSEQUENCES OF TERMINATION

14.34 If the Customer terminates the Hire Agreement in accordance with clause 14.2, in addition to providing the stipulated written notice, the Customer shall pay to RPM the amounts stipulated in clauses 14.35(a) and 14.35(b) without deduction.

14.35 If the Hire Agreement is terminated in accordance with either of clause 14.24(b), 14.33 or 14.34, the Customer shall pay to RPM as a debt:

- (a) any Rental Payments and other charges already due at the date of termination;
- (b) all remaining Rental Payments (excluding future Charges for Maintenance Services, where applicable) which would have become due for the full Hire Period less a discount of 3% per annum on the amount of all such Rental Payments as a credit to the Customer to reflect the fact that RPM has become entitled to receive payment early;
- (c) all other losses, costs, charges and expenses RPM incurs in connection with the premature termination of any funding commitments related to the Hire Agreement; less
- (d) in the event of termination under clause 14.33 only and when the Equipment is returned to RPM and the Residual Value is zero, the net proceeds of any sale of the Equipment by RPM after deduction of RPM's expenses.

14.36 Upon termination of the Hire Agreement (other than upon the occurrence of a total loss), the Customer agrees to return the Equipment to RPM in accordance with clause 14.37.

RETURN OF EQUIPMENT

14.37 Upon termination of the Hire Agreement (other than upon the occurrence of a total loss), the Customer shall at its expense, de-install and return the Equipment in its original condition and working order (except fair wear and tear) to RPM, having cleared it of all data or other personal information, no later than five (5) Business Days following termination to such UK address as specified by RPM.

14.38 If the Customer fails to return the Equipment in accordance with clause 14.37:

- (a) RPM may enter any premises where it reasonably believes the Equipment to be located and remove it. The Customer shall reimburse RPM for all costs and expenses incurred in doing so.
- (b) The Customer will pay to RPM on demand an amount equal to the Rental Payments (excluding any Charges for Maintenance Services) until the Customer complies with clause 14.37.

MAINTENANCE

NON-REGULATED AGREEMENT

USE OF YOUR INFORMATION

14.41 RPM shall use information collected about the Customer, which may include Personal Data, to process the Hire Agreement and also for any ongoing maintenance and administrative purposes related to the hiring of equipment by the Customer, including (without limitation) account management and debt recovery (**Purposes**). Information collected will be held in accordance with the Data Protection Act 1998 and RPM will only disclose it to the principal lessor, Tower Leasing Limited, as well as to any other company in any corporate group of which RPM is a member, to any company, business or intermediary associated with RPM and to any third party to whom RPM may assign or transfer any of the rights under the Hire Agreement, for use in connection with the Purposes.
